B Day: CKC/BW & Music  
C Day: Tech & PE

Pohlman

A Day: PE & Tech  
B Day: Art & Spanish  
C Day: Music & CKC /BW

Please have student wear athletic shoes on P.E. days.

# Notes

Math Test: Jan 18th  
Science Test: Feb 3rd

**Thank you!** We hope everyone had a wonderful break and that you were able to enjoy some great family & friends time. Thank you so much for all the gifts that were given and appreciation that was shown to us before break. We're looking forward to a great start to the new year in 3rd grade at JA.

**Egg Drop:** We've had to move our Egg Drop - the date is up in the air. :) When we've settled on the new date, we will let know.

**Field Trip:** Our field trip to the Denver Museum of Nature and Science will be on Friday, January 20th. Permission slips and sack lunch forms are in today's Monday Folder. Please return these tomorrow if possible, no later than Thursday, Jan. 12th. Also, please find in today's MF a request for chaperones. If you are available, please consider helping us out during the trip.

**Snacks:** Please remember to send a HEALTHY snack to school with your student everyday. Thank you.

---

**Classroom Volunteers:** We love when you are able to help us out and appreciate the time you are able to donate to our classrooms. Please note that staying in the classroom after your jobs for the day are complete is a distraction to your student and our other students. If you have more time to volunteer after you finish helping us, please feel free to check with art, library, sibling's classrooms, the lunchroom, etc.

**Math Reinforcement:** There are two online math support programs that we are now utilizing in third grade. If your student enjoys trying to beat the clock when practicing their math facts, we recommend Oswego Math Magician. If your student prefers to practice without being timed, we recommend Fact Monster. You can find links to the sites on our web site (url is located on the front of this newsletter). Flashcards and math practice apps are ok, too.
