Perlman

A Day: Spanish & Art
B Day: CKC/BW & Music
C Day: Tech & PE

Pohlman

A Day: PE & Tech
B Day: Art & Spanish
C Day: Music & CKC /BW

Notes

Snacks: Please send only nutritious snacks with your student. Students need a good, nutritious boost during the day. Please, no candy. Thank you!

Human Body Test: Our science test will be on Friday, November 4th. Please remember to go over the study guide with your child frequently.

Reading Logs: The previous month's reading log is due on the first school day of the following month. October's log is due by Tuesday, November 1st.

Homework I: Several students are forgetting to turn in their homework each day. Please remind your student about this important responsibility.

Homework II: We are continuing to receive homework that has not been corrected at home. Please take a few moments to go over your child's homework with them nightly to ensure that they have completed it correctly.

Math Facts: Students should, at a minimum, be working on their math facts on Wednesday nights as part of their homework. Ideally, we would like them to practice several times a week. Frequent, repetitious studying of math facts is extremely important.

Math Reinforcement: There are two online math support programs that we are now utilizing in third grade. If your student enjoys trying to beat the clock when practicing their math facts, we recommend Oswego Math Magician. If your student prefers to practice without being timed, we recommend Fact Monster. You can find links to the sites on our web site (url is located on the front of this newsletter). Flashcards and math practice apps are ok, too.

Leaf Reading: There will be a reading log sent home every month. Logging home reading minutes is completely optional. If your child chooses to do this, they will receive extra credit in reading. Instructions are on the leaf sheet. Please email your child's EA if you have any questions. Logs are due on the first school day after the month ends.
