# Notes

**Native American Project:** The due date for the NA project has been moved to December 2nd.

**Email:** Ms. Hammer-Flagg's email was incorrect in our last newsletter. Her correct email is on the front of this newsletter.

---

**Homework:** Please continue to make sure students are completing homework at home and that an adult is going over it with them. Also, remind your student that they need to turn their homework in on time. We are still having problems with some students not completing homework at home, not completing it correctly and not getting it in on time. Thank you for supporting us in this way.

**Email:** Please note that our email addresses have changed. Our new addresses are on the front of this newsletter and are working now. Our old email addresses will continue to work for a couple of weeks. Please take a moment to update your contacts with this new information.

**Phone Extensions:** Our phone extensions have also changed, new ones are listed below. Please remember that we prefer for parents to use email to contact us when possible.

The school's number has remained the same, 303-438-1011.

Anderson - 6213  
Davis - 6202  
Perlman - 6268  
Pohlman - 6260

**Snacks:** Please send only nutritious snacks with your student. Students need a good, nutritious boost during the day. Please, no candy. Thank you!

**Math Reinforcement:** There are two online math support programs that we are now utilizing in third grade. If your student enjoys trying to beat the clock when practicing their math facts, we recommend Oswego Math Magician. If your student prefers to practice without being timed, we recommend Fact Monster. You can find links to the sites on our web site (url is located on the front of this newsletter). Flashcards and math practice apps are ok, too.

**Leaf Reading:** There will be a reading log sent home every month. Logging home reading minutes is completely optional. If your child chooses to do this, they will receive extra credit in reading. Instructions are on the leaf sheet. Please email your child's EA if you have any questions. Logs are due on the first school day after the month ends.
