Notes

DIBELS Testing:

DIBELS Testing will take place on Tuesday, December 13th.

Perlman & Davis: 8:20a - 9:55p

Anderson & Pohlman: 1:00p- 2:05p

Please let us know ahead of time if you know your student will be absent during their testing time.

Volunteers: We love when you are able to help us out and appreciate the time you are able to donate to our classrooms. Please note that staying in the classroom after your jobs for the day are complete is a distraction to your student and our other students. If you have more time to volunteer after you finish helping us, please feel free to check with art, library, sibling's classrooms, the lunchroom, etc.

Math Reinforcement: There are two online math support programs that we are now utilizing in third grade. If your student enjoys trying to beat the clock when practicing their math facts, we recommend Oswego Math Magician. If your student prefers to practice without being timed, we recommend Fact Monster. You can find links to the sites on our web site (url is located on the front of this newsletter). Flashcards and math practice apps are ok, too.
