Notes

Math Reinforcement: There are two online math support programs that we are now utilizing in third grade. If your student enjoys trying to beat the clock when practicing their math facts, we recommend Oswego Math Magician. If your student prefers to practice without being timed, we recommend Fact Monster. You can find links to the sites on our web site (url is located on the front of this newsletter). Flashcards and math practice apps are ok, too.

Leaf Reading: There will be a reading log sent home every month. Logging home reading minutes is completely optional. If your child chooses to do this, they will receive extra credit in reading. Instructions are on the leaf sheet. Please email your child's EA if you have any questions. Logs are due on the first school day after the month ends.
