# Notes

**\*\* ANIMAL TEST APRIL 26th \*\***

**STUDY GUIDE:** A copy of the animal study guide went home last week, it is also posted on the 3rd grade website.

**ANIMAL PROJECT:** An animal project information sheet went home last week. The sheet is also posted on the 3rd grade website. The project is due on Thursday, April 27th. Please do not send the project in before the 27th.

**Field Day:** 1st - 3rd grade Field Day will be held Friday, April 21st. Please make sure your student comes to school prepared with adequate sunscreen already applied, hat, sunglasses if desired, and water bottle. Lunches will be handled as usual - bring a lunch or order a hot lunch. 3rd grade will be wearing green shirts for Field Day.

**Day w/o Hate:** JA is going to observe Day Without Hate on April 24th. If your student would like to support this day, please have them wear a white shirt/t-shirt on the 24th.

Day Without Hate is a student led, grassroots organization that promotes nonviolence, unity, and respect in our schools. After the events at Virginia Tech in 2007, students at Standley Lake High School asked their classmates to wear white in order to show a commitment and trust in each other to make their school a safer place. The day was an overwhelming success. Since then, students across Colorado and the nation have taken this incredibly positive day to their communities to say that we will not tolerate violence or hate, and we will reach out to friends and acquaintances and say, "We're all in this together."

**Snack Reminder:** Please remember that only healthy snacks should be sent to school to refuel our students. Please do not send candy or any high sugar content snacks. Thank you for helping us in this area

---

**Lined Paper:** We are almost out of wide-ruled, loose leaf paper. Could you donate a pack? Thank you!

**MAP Testing:** 3rd grade will be MAP testing during the times/dates listed below. Please do not plan any appointments or absences during these times. Also, please make sure that your student has a good night of rest and a good breakfast before each testing day.
