Perlman

A Day: Spanish & Art
B Day: CKC/BW & Music
C Day: Tech & PE

Pohlman

A Day: PE & Tech
B Day: Art & Spanish
C Day: Music & CKC /BW

Notes

Thank You: Thank you to the many parents and grandparents that volunteered during our Geography Bowl last week. Everything ran smoothly, we enjoyed meeting so many of you, and the kids had a great time reinforcing what they learned about geography. Our families are awesome!

Toys: Parents, please do not allow your students to bring trading cards or toys of any kind to school. We have had many instances recently of misplaced cards and toys causing issues. Pokemon cards and Shopkins toys have been especially troublesome. Please remind your student to check their backpack to make sure they do not accidentally bring any cards/toys to school. If we see any cards/toys they will be confiscated.

Paper Towel Tubes: Could you save your paper towel tubes for us when you've finished a roll? Send them in when you're able. Thank you!

Homework: All homework should be returned complete and correct. Homework is meant to reinforce skills taught at school. Having a parent or other adult go over a student's homework with them to make sure it is correct is very important.

Math Reinforcement: There are two online math support programs that we are now utilizing in third grade. If your student enjoys trying to beat the clock when practicing their math facts, we recommend Oswego Math Magician. If your student prefers to practice without being timed, we recommend Fact Monster. You can find links to the sites on our web site (url is located on the front of this newsletter).

Accordion Files: Please do not remove anything from your student's accordion file (other than homework & their planner - and please make sure those are returned to the file). All papers filed in the subject areas must remain in the file. Thank you for helping your child keep up with their papers.

T/CT: You may see either T or CT written at the top of some work that comes home. Both of these abbreviations means that the work was completed together as a class.

Happy Birthday!: If you would like to send in a treat for your student to share with their class on/around their birthday, please feel free to do so.

Needed Items: Our rooms could use gallon baggies and Clorox Wipes. If you have extras you'd like to share with us we'd love to take them off your hands. Thank you!
