C Day: Music & CKC /BW

News

****Homework**** *All homework should be returned **complete and correct**. Homework is meant to reinforce skills taught at school. Having a parent or other adult go over a student's homework with them to make sure it's correct is very valuable.*

Geography Bowl: The Geography Bowl is on Tuesday, September 13th from 1-3. We're looking forward to having a great time reinforcing what the students have learned over the past couple of weeks. The unit test is on Wednesday, Sept. 14th.

Math Reinforcement: There are two online math support programs that we are now utilizing in third grade. If your student enjoys trying to beat the clock when practicing their math facts, we recommend Oswego Math Magician. If your student prefers to practice without being timed, we recommend Fact Monster. You can find links to the sites on our web site (third grade web address is located on the front of this newsletter).

<http://resources.oswego.org/games/mathmagician/mathsmulti.html>

<http://www.factmonster.com/math/flashcards.html>

Accordion Files: Please do not remove anything from your student's accordion file (other than homework & their planner - and please make sure those are returned to the file). All papers filed in the subject areas must remain in the file. Thank you for helping your child keep up with their papers.

T/CT: You may see either T or CT written at the top of some work that comes home. Both of these abbreviations means that the work was completed together as a class.

Happy Birthday!: If you would like to send in a treat for your student to share with their class on/around their birthday, please feel free to do so.

Needed Items: Our rooms could use rolls of paper towels, gallon baggies and especially Clorox Wipes. If you have extras you'd like to share with us we'd love to take them off your hands. Thank you!
